

Curriculum Map: {PROGRAM NAME}

Accrediting Agency:

Date of Last Accreditation:

Date Curriculum Map Prepared:

STEP 1: Enter the program name, accrediting agency, date of last accreditation, and date this curriculum map was prepared.

Legend:			
I	R	M	
Introduced	Reinforced	Mastered	Assessed

	Courses	Title	Description (Identify if the course is academic, clinical, practicum, lab, research, other.)	Student Learning Outcomes (aligned to standards for accrediting agency)						
				SLO #: {Detail}	SLO #: {Detail}	SLO #: {Detail}	SLO #: {Detail}	SLO #: {Detail}	SLO #: {Detail}	
Required Courses	STEP 2a: List all required courses in the program curriculum by course #, title, and provide a brief description. Add (or delete) extra lines as needed.			STEP 3: Enter the program's detailed Student Learning Outcomes. Add (or delete) extra columns as needed. These may be pulled from accrediting agency standards or developed by the program.						
	Example 101	Introduction to ..	Academic	I	I	I	M			
	Example 202	Survey of...	Academic		I		I			
	Example 336	Ethics of...	Research	R						R
	Example 465	Captstone				M	R	M		
Elective Courses	STEP 2a: List all elective courses in the program curriculum by course #, title, and provide a brief description. Add (or delete) extra lines as needed.			M				R		I

STEP 4a: Use the legend (above) to indicate when specific SLOs are Introduced (I), Reinforced (R), or Mastered (M) in a particular course. Put an I, R, or M in the corresponding box.

STEP 4b: After each SLO has been aligned to a course and mapped with I, R, or M as applicable, shade in those boxes which correspond to assessment of specific artifacts.
